The Good Steward Plan for Ordering Poinsettias

In an effort to be good stewards of our resources, we will continue with our policy regarding ordering poinsettias. You will have an opportunity this Christmas season to remember or honor a loved one by ordering a poinsettia or donating the purchase price to an area or ministry of the church.

On the order form, you will still be able to remember or honor a loved one, and these names will be published in the bulletin as we have always done; however, for each plant ordered, you will be asked to check a box indicating whether you WILL or WILL NOT pick it up.

- If you check the **"WILL" box**, a plant will be ordered, which you can pick up after any of the Christmas Eve services.
- If you check the **"WILL NOT" box**, you will be asked to indicate which area/ministry of the church to which your purchase price will be donated. NO plant will be ordered.

We feel that this process will truly honor our loved ones by either the gift of a live plant or a donation to the ministries of Mt. Hebron.
