A Note from Jodie

It's March already! I can't believe how fast the year is going. It seems like we were just celebrating the New Year. I love March! I love the changing of the weather and things that are starting to bloom. I love the new life that you can see all around you. I love all things SPRING! I spend a lot of time outdoors in the spring and most of it is watching my son play baseball. There will be a lot of trips to Clemson to watch him play, in the next few months.

Spring is a great time to stop and look around at all of God's blessings big and small. It's a time for new life. 2 Corinthians 5:17 says "Therefore if anyone is in Christ, the new creation has come. The old has gone, the new is here." I challenge you to look around at all the "new" this month. Stop and look at ALL the blessings God has given you. Talk to your children about how God is always making us new, every moment of every day brings a fresh beginning.

I hope you can get out and enjoy the spring weather and the many blessings that come with it.

SCHOLARSHIPS 2023

Spring Pictures

Hebron Day School has a limited Scholarship Fund available to assist families with tuition for the 2023–2024 school year. If you would like to apply for a scholarship you may pick up an application in the office. Deadline to submit an application is March 31.

We will be having spring pictures made on March 8. These pictures will be a total body shot, not just a head shot. There will be a fun spring background and a live bunny. This will be for toddlers and above.

Muffins With Mom

We invite all moms to “Muffins with Mom” on Wednesday, March 22. Arrive anytime between 7:45 – 8:30 in our fellowship hall. You may take your children to class at their regular scheduled arrival time when you finish. If a mom can not attend another adult is more than welcome to attend. We do ask only 1 adult per child.

Thank you so much for all the donations for items to make socks of love. We were able to make and donate 71 Socks of Love to Oliver Gospel Mission and to Toby’s Place. Thank you so much in helping us teacher our students about how to help others.
