A Note from Jodie

Spring always brings to mind new life. I was walking my neighborhood the other day and saw a daffodil blooming in a neighbor's yard. I was surprised to see that lone flower as I looked at my phone's temperature reading of 49 degrees. What a blessing of things to come as I was freezing.

God is always doing that for me, though. He is always surprising me with blessings of things to come. If I slow down long enough to notice I see small reminders of His unfailing presence with me. He is there through thick and thin and always until the end. Psalm 139:7-10 says "Where shall I go from your Spirit? Or where shall I flee from your presence? If I ascend to heaven, you are there! If I make my bed in Sheol, you are there! If I take the wings of the morning and dwell in the uttermost parts of the sea, even there your hand shall lead me, and your right hand shall hold me." What a comfort and a help. Anytime, anywhere, He is there!

This spring take time to look for Jesus. He wants you to see the good things He is lavishing upon you. If you do, you will be blessed more than you could imagine.

SCHOLARSHIPS 2025

Hebron Day School has a limited Scholarship Fund available to assist families with tuition for the 2025 school year. If you would like to apply for a scholarship, call the office and we will send the application home. Deadline to submit an application is March 28. If you are currently on a scholarship, you **must** apply again for next school year if you wish to request the scholarship again.

Class Placement for 2025

If you wish to request a teacher for the 2025 school year you must make the request by emailing jsmith@mthebrnumc.com.

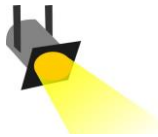

Parent request for class placement is not guaranteed. There are many things that are considered when children are placed in classes. We look at boy/girl ratio, children who need to be separated, current teacher recommendation, and other factors.

We will consider parent request if it does not impact these other considerations. All request must be made by email by June 8, 2025.

Registration Update

Registration went very well. We are opening a 2nd class for toddlers which still has room. We also have limited spaces for next year in our twos and threes. Infants, Fours and Kindergarten are full. If you know of anyone who would like to register, please have them give us a call at 803-794-8275.

Spotlight on Special Areas: PE

We are very fortunate at Hebron Day School to have a strong Special Area program in our curriculum. We have Art, Music, and PE classes that our kids love. This month we want to focus on our PE Program. Jen Dozier is our PE teacher and has a great curriculum of physical education with a focus on age-appropriate motor skills and development.

This is Ms. Jen's 3rd year at Hebron Day School as the PE teacher and she said the following:

We have had so much fun in PE these last few months! In January we explored balance with beams, balance challenges and balancing on different levels and number of body parts. In February we ended our balance unit with "Cosmic Kids Yoga," a fun yoga adventure for kids. To close out February and begin March, kids will be working on ball skills—rolling, bouncing and overhand throwing to a stationary and moving target (each other). Our kindergarten class has been working hard to build running stamina and cardio strength. In February we have tried to sustain running for 3 minutes. In March and April our challenge will move to 4 minutes. Fours and fives have also been learning to jump rope. We have a lot of fun, healthy learning happening in PE!
