

What is a New Year?

The unspoiled pages in your book of time

Your next chance at the art of living
As God would have you live

Your next opportunity to practice what you have
Learned about life during the previous year

Your next opportunity to have dreams
That you have never dared to dream

Your next opportunity to claim your faith
In the name of Jesus

Your next opportunity to be used by God
For His purpose and plan

Use this New Year and opportunities for God
To use you in ways you have never imagined

A Note from Jodie

It's January! This year I enter the month of January with mixed feelings. My oldest will be 21 this month! I don't know where the time has gone. I'm so proud of the beautiful young lady she has become and I'm excited to see what God has planned for her. On the other hand my baby girl is no longer a baby. I know she will be heading off to Law School soon and making life changing decisions. This makes my mamma heart happy and sad at the same time.

God says "To everything *there is* a season, a time for every purpose under heaven". There is a reason for the 31 days of January and all of those days matter to Him. And if it matters to God, it matters to me. What will I do with these 31 days? So, I will embrace January in 2024. I want to intentionally glorify and praise God all 31 days. I am stepping out in faith that God has big plans for me and my daughter.

While January may still not be my favorite month, if I glorify God each day with my actions, I am betting I will enjoy the cold and my daughter turning 21. I invite your family to make this January the best one ever by using it to honor God. Make the commitment and see where He leads you. Then don't stop with January. Commit to glorifying God every day. I can promise you will never regret a minute.

5 year old Kindergarten 2024-2025

If your child will be going to Kindergarten next school year, here are some things you should know about the Kindergarten class at Hebron Day school.

The teacher of our kindergarten class is required to be a currently certified educator with the South Carolina Department of Education.

The teacher follows the goals and objectives as set forth in the SC Standards for Kindergarten.

The class size at Hebron Day School is kept small so teachers are able to give more individual attention.

One of the most important aspects is that Hebron Day School incorporates Christian Education into our curriculum. Children will have Bible stories, Bible verses and prayer as part of their everyday routine. Children are most receptive to learning about God at a younger age. The stronger the foundation a person gets as a child in the importance of a relationship with Christ, the stronger that relationship will become as the child grows older and faces different situations. When a child enters public school, they will be exposed to teachers and students from many different backgrounds. One of the best ways we can prepare our children for the world is to ground them in a strong and secure faith.

In addition to the academic curriculum, our students also have varied extracurricular curriculum that includes Art, Music, PE, and Chapel. At Hebron Day School, all age groups learn in an environment that is not only high in academic quality but also grounded in Christian love and nurture. If you would like to set up a time to observe in the Kindergarten class before registration, please give the office a call at 794-8275.

Winter Weather and Emergency Closings

We are getting to the time of year when winter weather could become an issue for operating hours of the school. Please observe the Emergency Closing Guidelines of Hebron Day School.

If Lexington 2 schools are cancelled or dismissed due to inclement weather conditions or other emergencies, Hebron Day School will do the same. Please listen to your radio or TV for announcements regarding cancellations and closings. We will also send out a text message, so make sure you are signed up for our Remind Text. To join, text the message @2022school to the number 81010

If Lexington 2 Schools open on a delayed schedule, then Hebron Day School will open at 10:00 a.m. with no early bird. Dismissal will be at the normal time. If schools dismiss early, we will do the same. We ask that you pick up at HDS before picking up at other schools.

Refer to your Parent Handbook for more information. It is the policy of Hebron Day School that closings due to emergency situations are not made up.

January Tuition

After the holidays, we will return to school on January 3. Tuition will be due no later than January 8. Tuition will be charged a late fee if not paid by January 8. If you will not return to school by that date, you have two options to pay. You may pay before you leave for the holidays and post date your check for January 8 and we will hold your check until that time. Or, you may mail in your check to Hebron Day School, 3050 Leaphart Road, West Columbia, SC 29169.

Car Pool

When driving through the cemetery you must go all the way to the end before you turn back to the left. Do not use the 2 smaller cut through roads. There are graves on each side and at the corners of these roads and they often get ran over by cars. Please pay attention in order to keep the line moving.
