A Note from Jodie

It's here, the end of the 2022/23 school year. Where has the time gone? Our little 2's and 3's are now big 3's and 4's and some of our 4's and 5's are moving on without us, to bigger schools. They grow up fast, don't they? There is still so much we want to teach and show them, so many things to say before they leave the close knit family of their class at HDS.

While this is a time of goodbyes, God has plans of new beginnings for our little ones that are greater than we could "ask or think" (Eph. 3:20). This is the time our faith is put in action. Will we trust God or will we be anxious about what the future holds? As we slow down this summer, enjoy your precious one and remember God is in control. He wants even BETTER for your child than you do!

For those of you just changing classes, He has a plan. And for those of you leaving the preschool years behind and moving on to bigger "seas", He has a plan. Know we are praying for you and we will miss you all. We LOVE visits from alumni, so drop by and see us sometime.

I would also like to extend a special "thank you" to all our families who have made this year at HDS an exciting and blessed one. We couldn't have done all the things we did this year without your support. So, thank you and have a blessed and safe summer!
